

## Delivering the POWER OF NATURE

Promoted by: **SP DHURVA TECHNO PVT LTD**

[www.dhruvasolar.in](http://www.dhruvasolar.in)

## OUR VISION

**To establish “DHRUVA SOLAR POWER” as a strong EPC player in the installations of Rooftop and “Associated Modules” in a competitive work environment with a commitment to deliver the customer-satisfaction with uncompromising products and services”.**

## OUR MISSION

**To keep all the stakeholder’s handholding to support this activity and involve in Developing cost and eco - friendly working environment and keep updating the technological changes from time to time ensuring healthy relationships.**

**Promoted by: SP DHRUVA TECHNO PVT LTD**

**[www.dhruvasolar.in](http://www.dhruvasolar.in)**

## We Provide Complete Solar Energy Solutions to

- **Industrial Units**
- **Cold Storages, Warehouses**
- **Rice mills - Food processing units**
- **Poultry farms, Aqua farms**
- **Schools and Colleges**
- **Hospitals**
- **Commercial Complexes**
- **Function Halls**
- **Gated Residential Communities & many more on Customised Applications**
- **Independent Houses**
- **Stand alone Power Generating Units**

## Our Solar Energy Product range includes

### PRODUCTS

- **Rooftop Solar – on Grid**
- **Ground-Mounted - on Grid**
- **Solar Street Lights**
- **Solar Garden Lights**
- **Home Automation**
- **Parking Lights**

### SERVICES

- **PEB Structures – Design, Development, Erection on Turnkey Basis &**
- **SOLAR AMC Contracts**

We make our self unique by

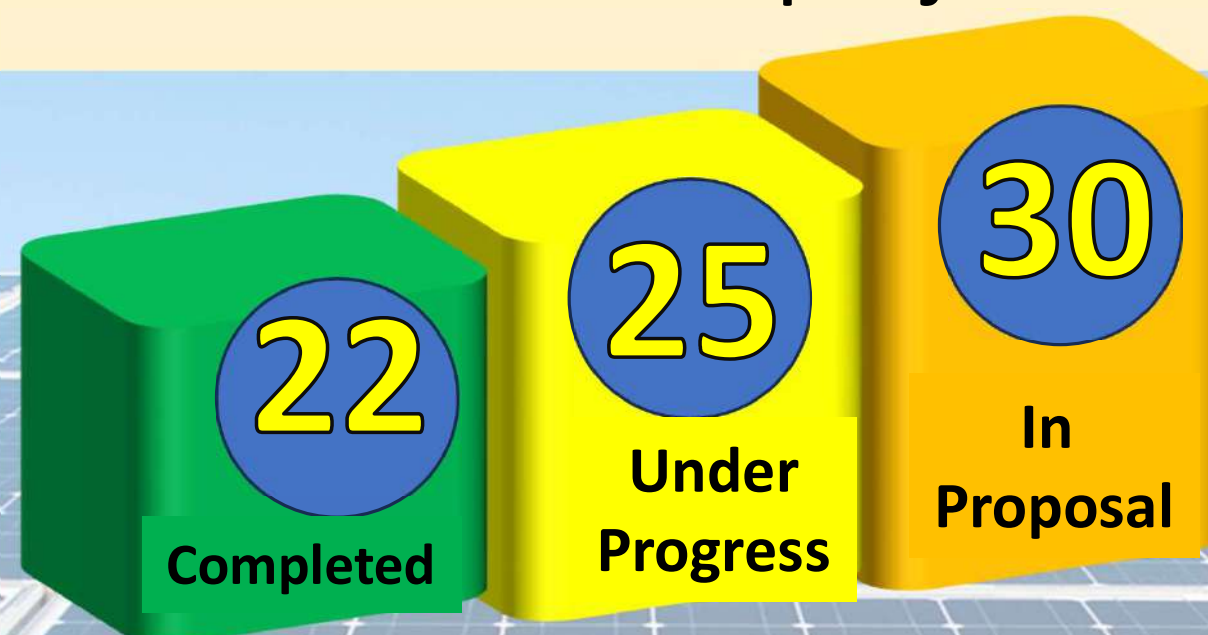

- **Strong site analysis / Customized Design & Structure Development**  
We have dedicated team of experts for site Analysis & Designing
- **Accurate analysis of the client requirements**  
Advise and develop Techno – Commercial feasibility Report
- **A wide range of installation capabilities from 40Kw to 500Kw**
- **Our products and Services are 100%**  
In conformation with MNRE, BIS, ALMM and IS Specifications
- **100% track record in customized processing of subsidies & Bank loans as per applicable schemes and regulations**

## Our Completed installations 100Kw and above include

- |   |        |
|---|--------|
| • Kalyana Vaishnavi Cold Storage, Dharmavaram (Kakinada) AP - | 180Kw  |
| • I Foods, Vijayawada, AP -                                   | 160Kw  |
| • Yathindra Cold storage, Narasannapet, AP -                  | 126 Kw |
| • Sairam Cold Storage, Inkollu, AP –                          | 120Kw  |
| • Kokila Cold storage, Uppukonduru, AP -                      | 120Kw  |
| • Ramakrishna Cashew Processing, Tuni, AP -                   | 120Kw  |
| • V Care Cold storage, Gadwal, Telangana –                    | 120Kw  |
| • Shirdi Sai Industies, Madakasira, Anantapur Dt -            | 110Kw  |
| • Sudarsanam Cold storage, Tadepalligudem -                   | 100 Kw |
| • Ciphall Herbal Private Ltd, Guduru -                        | 100Kw  |
| • Balaji Cold Storage, Inkollu –                              | 100Kw  |

## Status of our projects

### HIGHER CAPACITY INSTALLATIONS – WORK IN PROGRESS

1. LALITH SRI VENKAT INDUSTRIES – TIRUPATI – RICEMILL - 500 Kw
2. SREE AGRO PVT LTD – TANUKU – RICEMILL – 400 Kw
3. MAHADEVA DALL INDUSTRIES PVT LTD – NANDIVELUGU – 250 Kw  
(DOUBLE HORSE BRAND – URAD DALL UNIT)

**BRANDS IN USAGE (All the Products are as per MNRE/ BIS/ IS /ALMM Specifications & Guidelines)  
ALL PRODUCTS WILL CARRY NECESSARY TEST CERTIFICATES AND APPROVALS**

### SOLAR PANELS

**WAREE ENERGY  
RENEWSYS SOLAR  
PAHAL SOLAR**

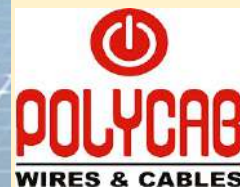

### SOLAR INVERTORS

**GROWATT  
POLYCAB**

### SOLAR CABLES & ACDB & DCDB

**SIEMENS**

### STRUCTURES

**HOTDIPPED GALVANIZED STEEL MOUNTING  
STRUCTURE (8 PROCESSING METHODS)**

**AS PER IS SPECIFICATIONS/  
OTHER EPOXY POWDER COATED/ HIGH BUILD  
COATINGS, AS PER THE SITE CONDITIONS**

**CONTROL PANELS & ENERGY METERS  
AS PER THE SPECIFICATIONS AND PROJECT  
COMPLIANCES**

### HARDWARE & CONNECTORS

**AS PER THE SITE CONTITIONS WITH IN GUIDELINES OF THE PROJECT  
REQUIREMENTS & MNRE / BIS STANDARD APPROVED PRODUCTS**

**MAJOR INSTALLATIONS COMPLETED So far:**

## KOKILA COLD STORAGE – NAGULUPPALAPADU – 120 Kw

## SRIRAM COLD STORAGE – INKOLLU – 120 KW

# LALITHA COLD STORAGE – INKOLLU – 100 Kw - RCC

# KALYANA VAISHNAVI COLD STORAGE – DHARMAVARAM CAR PORT – 140 KW

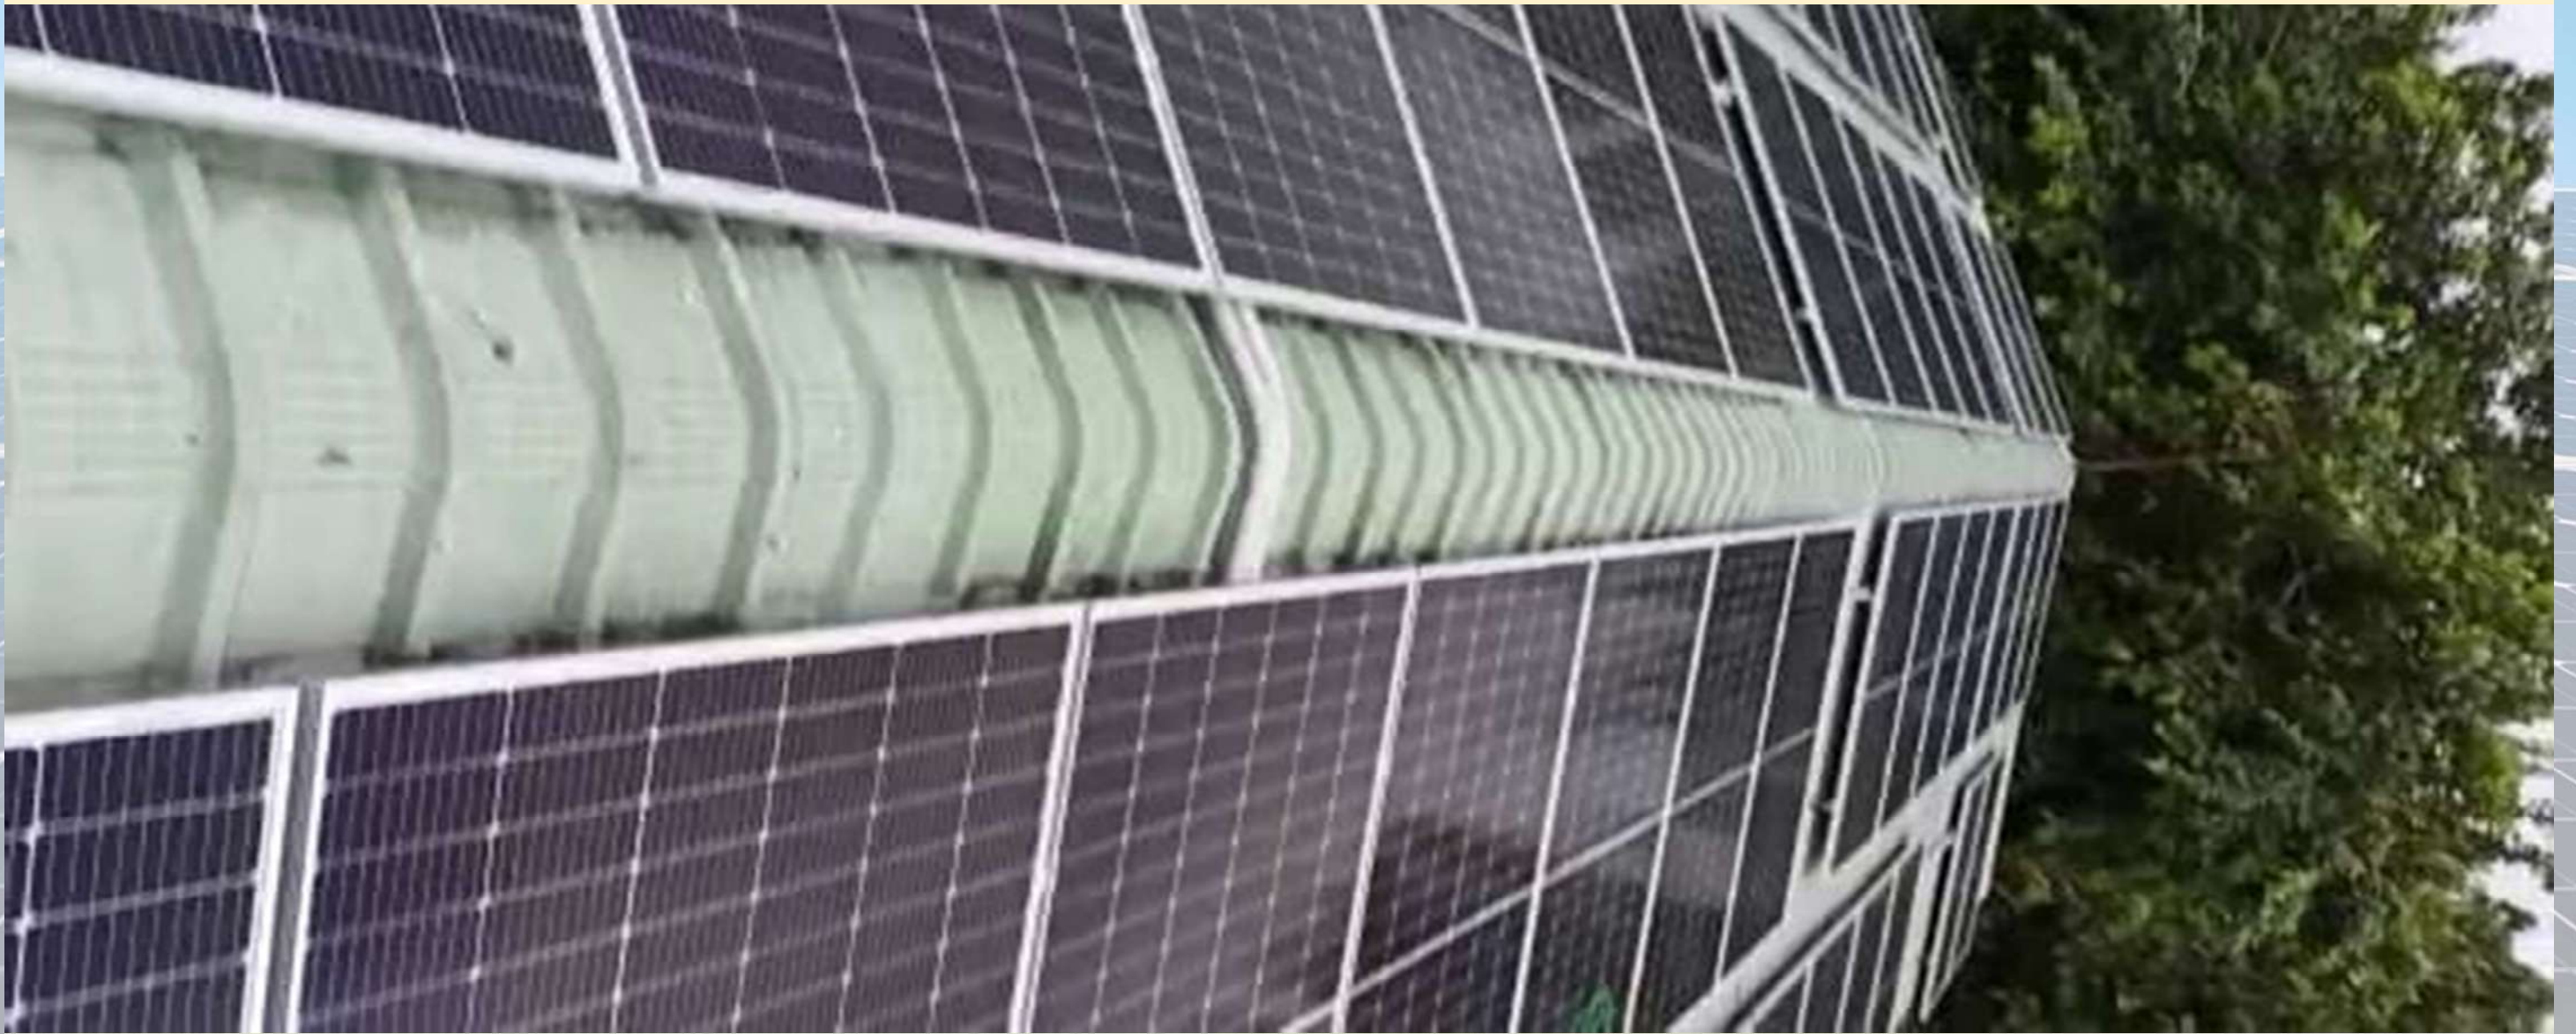

## MEENAKSHI COLD STORAGE – INKOLLU – 105 Kw - RCC

## LAKSHMI BALAJI CASHEW PROCESSING – 50 Kw - Shed

## SUDARSHANAM COLD STORAGE PVT LTD – TADEPALLIGUDEM – 100 Kw – Cement Sheets

# YATINDRA COLD STORAGE – SRIKAKULAM – 116 Kw Balah Structure – Hot Dip Galvanized

## I FOODS – VIJAYAWADA – 160 Kw Aluminium Short Rails

## TEAM ON INSTALLATION

# HOUSING SECTOR

## HOUSING SECTOR

Guntur, Tenali, Prattipadu Regions

# HOUSING SECTOR

## KEY MANAGEMENT

### **A SIVARAMA SWAMY - MANAGING DIRECTOR:**

Over 20 years of experience in promoting Construction & Building Material Products

### **D. BHANU PRASAD – DIRECTOR – OPERATIONS & EXECUTION:**

15 + years of Experience in Concept to Commissioning of various Projects

### **S P KOTESWARA RAO – DIRECTOR – CORPORATE COMMUNICATIONS:**

Over 35 years of Experience in Construction and Infrastructure in Marketing & Business Development

### **A SIVAPRASAD – CHIEF FINANCIAL ADVISOR:**

With over 25 years of Experience in Financial Advisory Portfolio  
&

**With a team of Experts in Project Analysis – Designing – Drawing Development –  
Implementation & Commissioning**
